

Webelos Adventure Camp Attendance Incentive!
Sign your Den up Today!

The Sagamore Council is offering a special incentive for Webelos Dens attending Webelos Adventure Camp this summer. Packs that send 75% of their registered graduating 3rd and 4th Webelos to camp will receive a \$10.00 discount per Scout attending camp. This incentive is to encourage Webelos Dens to come to camp as a unit during the same session. History has shown that Webelos who attend camp stay in the program longer than those in Packs that shut down for the summer.

This summer the theme for Adventure Camp is "Baden Powell's Excellent Adventure". The Cub Scouts and Webelos will be exposed to the History of Scouting and Scout Skills. All of the popular areas of camp will be included in the adventure with a veteran staff to help you through your experience.

Plan to attend with you Den this summer.
